# Acknowledgments

---

This project would not have been possible without the input and wisdom of a vast number of committed parents, stakeholders, and advocates who generously contributed their knowledge, personal stories, insights, and ideas. The Baton Rouge Area Foundation, the Huey and Angelina Wilson Foundation, and SSA Consultants extend our sincere appreciation to all who graciously spent time with our project team and provided access to the information vital to the execution of this assessment project.

We are grateful to Louisiana state and local government officials who have made services and improved programs for citizens with disabilities a priority. In particular, we would like to thank the following who contributed to the creation of this report.
